FURTHER RETRENCHMENT IN THE CONSTITUTION ASSEMBLY OFFICE.

Letter No.C.A.1960/48-49 dated 5th May 1949 from the Secretary, Constituent Assembly of Mysore in regard to further retrenchment in his office.

I have discussed this matter with the Financial Secretary and the Law Secretary and in consultation with them, the followin remarks are made against each of the paragraphs of the letter. As the matter is urgent, immediate orders are required:-

Para 1. This may be further examined.

Para 2. It is not clear why there should be the post of a Secretary. Though it is said that "the Rules of Procedure require that there shall be a Secretary," it must be clear that the necessity for a Secretary would arise only when the Constituent Assembly meetings are held, and when the meetings are not held and there is no work at all in the Assembly Office, the Secretary's post may conveniently be abolished. If however it is necessary to continue the post as such, the Assistant Secretary may be styled the Secretary without any increase in emoluments, and the Assistant Secretary's post may be abolished.

Para 3. This proposal may be approved subject to the suggestion made above and also with one modification, viz., that the additional work that may be given to him need not relate only to the Constitution. There is not likely to be any appreciable work with regard to the Constitution but there is a lot of congestion in the Law and Legislation Branches of the Secretariat which may be transferred to this officer for being attended to during his spare time.

Para 4. No comments.

Para 5. No comments, except that Sri B.S.Gundu Rao will be paid either Rs.25/- or 20% of his pay whichever is less.

Para 6. This needs further examination as the necessity for translating documents, notes, speeches etc., must have ceased consequent on the cessation of work in Assembly Office itself.

Re: Further Retrenchment in the Office of the Constituent Assembly Office.

Para 7. The decision on this will depend on the decission on para 1.

Letter No.C.A.1960/48-9 dated 5th May 1949 from the Secretary, Constituent Assembly of Mysore, Bangalore, to the Chief Secretary to Government, Bangalore.

I have the honour to state that in view of the fact that there are not likely to be any meetings of the Constituent Assembly in the near future, the question of effecting further retrenchment in the Office of the Constituent Assembly had been under consideration for some time.

The President after due consideration of all the circumstances of the case has been pleased to pass the following orders:-

1. Both the President and the Deputy President being Members elected by the Constituent Assembly and being paid salaries determined by a Resolution of the Assembly, it would not be possible for any retrenchment to be effected in the case of these Offices.
2. The Secretary is at present a part-time Officer, drawing an allowance for doing the work of Secretary. Though there is not enough work at present in the Office which would require the Secretary, nevertheless the Rules of Procedure require that there shall be a Secretary. The Secretary is willing to continue as such without any allowance. Necessary orders have to issue for this. However if there should be any meetings of the Constituent Assembly, the question of allowance may be reconsidered.
3. The Assistant Secretary will continue as Assistant Secretary to the Constituent Assembly and will continue to draw his allowance. However, as there is not enough work for a full time Officer, he may be given such additional work, if any, as the Government may consider fit, relating however to the Constitution.

2....

4. Considerable retrenchment has already been effected in the Staff of the Office. However there are at present three Reporters, one Senior and the two other Reporters. The Senior Reporter who has been drafted from the Office of the Legislature will revert to that Office and the other two Reporters will revert to the Offices from which they have been drafted. As the proceedings of the last day have yet to be compiled, effect will be given to this instruction from the 15th by which time the reporting Section has to complete its work.
5. Of the other staff, one Accountant (Sri D.Subramanyam), one First Division Clerk (Sri T.S.Ramiah) and one Second Division Clerk (Sri K.R.Chokkalingaraju) alone will be retained. Sri H.C.Gangadhara Murthy, First Division Clerk will be reverted to the Secretariat. The Typist, Sri B.S. Gundu Rao will also revert to the Food Office, but as there will be some typing work to be done, he will attend to that work of this office and for such additional work, he will be paid only an allowance of Rs.25/-. He will draw his substantive salary in the Food Office.
6. The Translation Section is actively engaged in bringing out the proceedings and has also been recently reduced to a bare minimum. This Section will therefore continue to work until it finalises its work or until August whichever is earlier.
7. Sri K.N.Visveswariah, Personal Clerk to the President will continue as such.

I am to request you to kindly take such action as may be necessary in respect of items 1 and 2. I am also to request you to kindly cause necessary orders to be issued in respect of payment of allowance for part time work to Sri B.S.Gundu Rao (item No.5). Necessary orders are being issued in this Office in respect of the other items.
